NOTICE OF SOUTH FLORIDA DRAYAGE INCREASE
Effective October 21st, 2026

Dear Valued Customer,

We would like to inform you of an upcoming increase in our **South Florida Local Drayage charges**.

Effective **October 21st, 2026**, the local drayage charge will increase by **\$50.00 per service**. This adjustment will apply to all applicable tariff rates and service contracts subject to South Florida drayage.

The new rate will apply to all import and export shipments utilizing local drayage services – non-bonded cargo, via the **South Florida Miami River Port**.

We remain committed to providing reliable service while managing these adjustments responsibly.

We appreciate your continued partnership and trust in Antillean. Should you have any questions, please contact your Antillean representative.

With warm regards,

Your Antillean Family
