Dry LCL Cargo 32 to less than 65 cft	\$ 2.50
Dry LCL Cargo 65 cft and greater w/m	\$ 2.50

We understand that fuel adjustments impact both carriers and our customers, and we remain committed to managing these changes responsibly while continuing to provide reliable service and maintain schedule integrity.

We will continue to monitor fuel market conditions and keep you informed of any future developments.

We appreciate your continued partnership and trust in Antillean. Should you have any questions, please contact your Antillean representative.

With warm regards,

Your Antillean Family
